Major Foundations Help Matthew 25 Serve Allen County Residents

Matthew 25 has served the health care needs of Allen County residents since 1976. Amazingly, Matthew 25 has only published a quarterly Donor Newsletter since 2007. We are still in the process of developing what information and detail you value. Your comments are always appreciated.

In this newsletter, Matthew 25 recognizes and thanks our many foundation and corporate donors. Our last newsletter of the year will feature the generosity of Fort Wayne's faith community. Our regular readers will also notice that beginning in January of 2010, we are recognizing the memorials and honorariums received by Matthew 25 each quarter. Since Matthew 25 does not accept government monies, our support from the foundation, corporate and faith communities is priceless.

Parkview
Community Health
Improvement

In 2010, our part-time Staff Physician's salary was covered 80% (the other 20% is funded through Fort Wayne Community Development.) and our Patient Assistance Program Coordinator salary was covered at 100%. Parkview also funds our in-kind lab expenses for our patients.

St. Joseph
Community Health
Foundation

In 2010, our Medical Director's and Dental Director's salary and compensation package was covered 100%. Sponsored by the Poor Handmaids of Jesus Christ, they have also assisted us with numerous other smaller needs through the years.

The Lutheran
Foundation

In 2010, Matthew 25 received annual operating support from the Lutheran Foundation for patient services. Their generous level of support exceeded 13% of our annual budget.

Foellinger Foundation

Matthew 25 receives annual operating support from the Foellinger Foundation for patient services. In May of this year, Matthew 25 was the recipient of a Williams Lecture Grant that enables our agency to participate in a ten month project to assist with a financial analysis and scenario planning. Matthew 25 was also given the opportunity through the Foellinger Foundation to nominate one of our board members for their Carl D. Rolfsen Stewardship Award that is decided in the fall of each year.

Community
Foundation of
Greater Fort Wayne

Matthew 25 receives annual operating dollars from the Community Foundation for patient services. Through the years, Matthew 25 has also been fortunate to receive technology grants from this foundation as well.

Helen P. Van Arnam Endowment Fund

Matthew 25 continues to be grateful to the Helen P. Van Arnam Fund for their generous support of our Eye Clinic.

Additional Foundations and Corporations that have provided support to Matthew 25, January-July, 2010

It goes without saying that without the generous ongoing support of these corporations Matthew 25 would not be able to continue to deliver the quality and quantity of patient services to Allen County residents.

Steel Dynamics Foundation
a three year grant for patient services.

IN MEMORIAM - IN HONOR

APRIL-JUNE, 2010

Through the years, Matthew 25 has received many generous donations in memory or in honor of a special person(s) or organization. We will recognize those contributions that have been received in our Donor newsletter. Matthew 25 not only sends acknowledgement to the donor(s) but to a designated family member for memorials or to the honoree.

Honoring those who have remembered us

The next time you visit Matthew 25 be sure and check out the wall outside our upstairs Conference Room. You will find a display honoring nine individuals that have chosen to remember Matthew 25 through their generous estate gifts. The wall was produced by the Baldus Company and currently measures over ten feet wide. Please remember that Matthew 25 has Planned Giving policies and procedures in place and anyone can obtain an informational packet by contacting our Development Director Ann Hathaway at 426-3250 x215 or by email at ahathaway@matthew25online.org. You may also download our Planned Giving Packet by visiting our website at www.matthew25online.org.
