We Are Thankful..

From the Development Director, Ann Hathaway

Every day at Matthew 25, our staff and volunteers are inspired by the personal stories of our patients-many of who thought they would never need our services. This is what motivates each one of us to continue to be a part of this valuable mission.

We remember dental patients that have enjoyed a renewed sense of self-esteem and been able to secure employment because they are no longer embarrassed by their teeth. Stories of patients being afraid to smile during a job interview or not being comfortable in social situations are very common. In our medical area, we continue to diagnose patients early with sometimes catastrophic illnesses and lives are saved. Matthew 25 enhances the quality of life of so many by treating ongoing diseases such as diabetes and hypertension as well as securing over five million dollars in prescription medications through our Patient Assistance Program.

As we come to the end of another successful year in which we recorded 29,905 patient visits, Matthew 25 would like to thank those that have “gone that extra mile” contributing to our ability to provide medical, dental and vision services to qualifying Allen County residents. I am reminded of a quote from Edmund Burke that says “Nobody made a greater mistake than he who did nothing because he could only do a little.” Each one of your gifts is vital to the ministry of Matthew 25. The holiday season is the perfect time to show those around you how much you care. For those who are hard to buy for, consider making a donation in honor of them or in memory of someone special as a gift this season. In return, your donation will be recognized and a card will be sent mentioning your gesture to the person designated. Any donation is also tax deductible.

Matthew 25 Board Members, Staff and Volunteers would like to extend our best wishes to you and your families this holiday season!

Thursday, March 24, 2011 is a date you will want to mark on your 2011 calendar. Matthew 25 is inviting you to join us for **Art & Soul** at the Arts United Center in downtown Fort Wayne. We are celebrating The Fabric of our Community with a “totally” new kind of event.

The Food Walk Our libations for the evening feature eleven amazing “local” restaurants and liquor providers serving a dish or drink for which they are especially noted. Some of our providers you typically don’t see involved at an event like this, but because we are Celebrating the Fabric of our Community they jumped on board to whip up something special.

Food for the Soul Coolers Here’s a “grab bag” with a twist to it. We will have just 100 of our coolers for sale. The contents are items or gift certificates valued between \$25 - \$50. The items are all donated by individuals or businesses from our Community. However, there will be a surprise in some. We can’t tell you everything, but we can tell you to pick your cooler early! Donations welcome.

Eclectic Art Treasure Sale We will be auctioning items and experiences donated by the Community from their private collections and areas of expertise. These items will range from beautiful oil paintings to moose heads, from a cooking class teaching you how to create a beautiful dish for your table to garden tips for Spring planting. Donations welcome

Fabric of the Community Award That night we will bestow this prestigious award to an individual who has demonstrated exemplary Involvement in the Community by

- Service to Matthew 25
- Support for Matthew 25 and
- Participation in the community and beyond in activities benefiting the underserved, which makes him/her a critical part of the “Fabric of the Ft. Wayne Community”.

Names for consideration should be submitted to Nancy Schenkel, CEO at 260-469-0465.

There’s plenty of time to be part of the Fabric of this Event by sponsoring, donating to the cooler contents, looking through your private antique and art treasures and donating something you are ready to move on or marking your calendar with the date of the event.

We hope to see you there, March 24, 2011 For more information or to donate call Barb @ 260-705-5235.
