

## I'll Show You A Volunteer

Poem by Foley

*Show me a person who spends endless hours in training without pay,  
And, I'll show you a volunteer.*

*Show me a person where a cry for help brings split-second dispatch,  
And, I'll show you a volunteer.*

*Show me a person who is devastated when lives are lost or maimed,  
And, I'll show you a volunteer.*

*Show me a person who is graciously welcomed as a next-door neighbor,  
And, I'll show you a volunteer.*

*Show me a person who takes ridicule more than compliments,  
And, I'll show you a volunteer.*

*Show me a person whose car is garaged with the grille facing out,  
And, I'll show you a volunteer.*

*Show me a person who sacrifices homelife, TV... even tender moments,  
And, I'll show you a volunteer.*

*Show me a person visibly moved at the strains of our National Anthem,  
And, I'll show you a volunteer.*

*Show me a person who may be asked to give more than just dedication,  
And, I'll show you a volunteer.*

*Show me a person who is asked to give more... and more... and more,  
And, I'll show you a volunteer.*

### Getting it right:

We wish to correct a statement in the last issue of Along With Matthew, which congratulated Dr. Lawrence for receiving Charles W. Gish Award. The article mentions that he had been "... committed to the operation of Matthew 25 Dental Clinic for over 10 years." Actually Dr. Lawrence has served the clinic since it began in 1976. We apologize for the error.

## This and that...

### Cartridges:

This is to inform everyone that if you are changing an ink cartridge in any printer, fax or copy machine to let Jennie R. know so she may order a new one for your department. This will help so that we always have a back up and we are stuck without a copier or printer until the new cartridge comes. To order a new cartridge please call my extension (213) and leave a message with the cartridge number and/or location. (You will find bright orange stickers on all cartridges with this same information) Thank you so much for your cooperation.

### Walk/Run:

Thank you all so much who volunteered at the walk/run. We appreciate all you do. Thank you to the Fort Wayne Track Club for helping with timing the 10k and 5k runs. IF you are interested in helping or supporting next year's race please see Jennie R.

## Volunteer Lounge:

There is a filing cabinet in the volunteer lounge with hard copies of policies, procedures, handbooks, applications etc. All of this information is also found on the Intranet system within Matthew 25 (MyM25). Please explore My M25 first because it has the most updated information. However the filing cabinet has incident/accident forms, pandemic information at arm’s reach to have in case of emergency.

Also if anyone has a small table or coffee cart we could put in the volunteer lounge please let Jennie R. know. We are looking to turn this into more of a lounge instead of storage closet. If you have any questions or concerns please let Jennie Rumschlag know. ☺

# From the Volunteer Coordinator

Jennie Rumschlag

Hello Fall! As I am writing this article, it is a gorgeous day, 76 degrees and cool. Beats the humidity we have been having lately. I want to thank everyone, both Staff and Volunteers for their help with the summer students we had this year. They all have commented on such a great time and learning experience they had here at Matthew 25. It is all because of you.

As school is starting we will be seeing more students—but not as many as we have in the past. This is due to limited number of staff in each area and the availability of signing contracts with specific students. However if you are interested in having a student shadow or work with you when you are here please let me know and I would be happy to set something up.

Please also keep in mind trainings that might be happening again here at Matthew 25. I will be conducting more phone trainings in the next couple of months. We are also looking into specific, more in depth trainings for each department. If you have any suggestions or questions on these trainings please let me know.

As always thank you so much for what you do. You are all truly a blessing. Have a great Fall! ☺
