

2011 Annual Report

...from Nancy Schenkel, CEO

Fiscal year 2010-2011 has been a time of transition. In January of 2011, our Medical Director, Dr. Jeffrey Walker left Matthew 25 to pursue a Fellowship in Hospice Care. This left us without a full-time Medical Director, but we were so fortunate that many of our volunteer physicians stepped up to the plate to help us as their time permitted. In April, Dr. Diane Hopen came out of retirement as our interim Medical Director on a part-time basis. For the first several months of the year we unfortunately had to limit the number of medical patients seen, but have been able to raise those numbers back to our normal level.

The number of patients seen in the Dental Clinic has continued to grow, and it is so gratifying to see patients smile after treatment. We are appreciative of First Presbyterian Church for funding dentures for numerous patients this year.

In March of 2011 we held our first Art & Soul fundraiser at the United Arts Center. Over 300 people were in attendance. The event included 11 food stations paired with various wines and a silent auction of 100 donated art pieces. The money raised at this event assists us in caring for over 2,500 patient visits.

Again, we thank the community for the ongoing support. Taking care of the "least of our Brethren" takes many people and many resources, all of which come from right here in Allen County. None of us know for sure what the future of health care will look like, but rest assured, Matthew 25 will take care of those in need for as long as we're needed.

Mission

Matthew 25 Health and Dental Clinic is inspired by the Gospel to provide free primary healthcare services to uninsured low income residents of Allen County.

Vision

Matthew 25 Health and Dental Clinic, in partnership with the community, will assist people in need to secure comprehensive healthcare and wellness education.

Values

We at Matthew 25 value:

- Faith-based approach to the operations of the clinic
- Compassions for those with medical and dental needs
- Professionalism in providing quality healthcare
- Individual responsibility for one's own health
- Respect for all regardless of differences
- Stewardship of all of our resources

Fundraisers

Art and Soul

Held at the Arts United Center on March 24, 2011, this well attended major fund-raiser for Matthew 25 featured the Food Walk, Food For The Soul Coolers, an Eclectic Art Auction and The Fabric of the Community Award given to Dr. Michael Mastangelo. Donations and sponsorships are welcome. The 2012 Art and Soul was March 15 at the Arts United Center.

12th Annual Phillip O'Shaughnessy Walk/Run For Health

Sanctioned by the Fort Wayne Track Club, this annual event held in Foster Park features a 10K and 5K Run as well as a 5K Family and Friends Walk. Race participants receive awards in each age group. Our expenses for this event are minimal due to the many in-kind contributions received from the community. Sponsorship opportunities are available for this event. (The 2012 Walk/Run will be on July 21 at Foster Park)

Fort Wayne Central & Time Corners Lions Clubs Golf Outing

Since 1983, the Fort Wayne Central and Time Corners Lions Clubs major fund-raiser for sight related beneficiaries has been the annual "Bill Smith Golf Outing." This effort has grown beyond a golf outing and today "A Better Vision for Northeast Indiana" is a community wide event. Matthew 25, through the years, has been a recipient of the proceeds from this event for our Sight Service Programs.

Rockin' Docs Musicfest

The Rockin' Docs Musicfest was moved to March at Spiece Fieldhouse and featured the musical talents of local physicians along with food and a silent auction. Matthew 25 is proud to be one of the organizations that benefit from this effort. This year's event was held March 16 at Spiece Fieldhouse.

Services offered at Matthew 25

Specialty Medical Clinics

- Cardiology
- Diabetes
- Ear, nose, and throat
- Nephrology/hypertension
- Nutritional counseling
- Ophthalmology and optometry
- Pain management
- Podiatry
- Pulmonary and asthma
- Urology
- Women's and men's health

Dental Clinics

- Exams
- Extractions
- Restorations
- Dentures
- X-rays

Medication Assistance

- Prescriptions
- Patient Assistance
- Over-the-counter medication
- Medical supplies

Patient Advocacy

- Referrals to social service organizations
- Information about community resources

Stories from the Clinic

Many of our patients, possibly a majority for a variety of reasons, experience depression. Dr. Hopen recalls one 50 year old lady who was seen in our clinic for hypertension and insomnia. Her blood pressure, which had been controlled, was quite high. When I asked her about any Thanksgiving plans, she then broke down in tears, stating that in the past year she had lost both her mother and her only son to cancer. She had also lost her job recently. This is not an unusual scenario in our clinic. She stated she was so grateful for the support and help she has received from Matthew 25. Sometimes just having someone listen and provide morale support, as well as any necessary medications can be a real boost.

Jim and Linda came into the clinic in July. They both wanted to have dentures made, but both also had badly decayed teeth to be extracted. Jim even had an impacted wisdom tooth with a small cyst around it. They could only afford to have one set of dentures made, so they agreed for Jim to get his made first. He was so happy with his dentures, that he had his wife take a photo of him with the dental staff and his new smile. Linda told us that she was back again!

Linda wanted to have her dentures made before Christmas, but couldn't afford them. We contacted First Presbyterian Church, who helped them finance a second set of dentures. When our staff member called to let her know she could have help paying for her dentures, and that she would have them for the holidays, she became so emotional that she had to hand the phone to her husband to schedule the appointments. When Linda got her new smile, we took another group photo. As a thank you, she made everyone little snowman decorations for their homes out of some white tube socks. (Their neighbor is an amputee with a lot of extra tube socks.)

Susan is a 55 year old female who unfortunately lived with much pain due to bone on bone arthritis of her left hip with complete loss of joint space. She had limited range of motion where even daily activities were too hard for her to perform. She came to Matthew 25 hoping we could give her some relief. We were able to refer her in to our ortho clinic that is staffed by the volunteers from Orthopaedics Northeast (ONE). Susan had an issue-she was grossly overweight and ONE told her she would need to lose weight before the surgery could take place. She was able to lose nearly 30 pounds by her own determination and encouragement from our staff. She did have a total hip arthroplasty at little cost thanks to ONE waiving fees, that has relieved her pain and made her function again. Asked about Matthew 25 she smiles and says “I love you guys.”

IN MEMORIAM - IN HONOR
JANUARY-JUNE, 2011

Through the years, Matthew 25 has received many generous donations in memory or in honor of a special person (s) or organization. We will recognize those contributions that have been received in our Donor newsletter. Matthew 25 not only sends acknowledgement to the donor(s) but to a designated family member for memorials or to the honoree.
